SIR

SUBJECT - Sanction to certain items of additional expenditure for the Municipal High School, Davangere with effect from the year 1944-45

I have the honour to submit herewith copies of the resolutions passed by the Managing Committee of the Municipal High School, Davangere, at its meetings held on 5-5-1944, 21-5-1944, 17-7-1944 and 10-8-1944 and by the Municipal Council, Davangere at its meeting held on 15-5-1946 on the above subject, received from the Secretary of the above school and to state that it is reported that as there was heavy rush of students for admission into the above school at the commencement of the school year 1944-45 the management of the school considered it necessary to open additional sections in the I and III year classes of the school during that year and that in connection with the opening of these additional sections in the school, the following additions to the establishment of the school involving an extra cost of Rs 3,424/- per annum were made in anticipation of sanction -

1) Three additional teachers in the grade Rs 40-4-60 (2) one additional clerk on Rs 25/- per mensem (3) one Science Attender on Rs 15/ per mensem (4) one part time Kannada Pandit on Rs 10/- per mensem (5)

P T O

(5) one part time Hindi Pandit on Rs 10/- per mensem (6) one part-time Biology teacher on Rs 20/- per mensem (7) additional contingency of Rs 17/- per mensem and (8) an allowance of Rs 5/- per mensem to the Secretary's clerk A copy of the proposition statement (in original) received from the Secretary of the school, showing the sanctioned and the enhanced scales of establishment of the school is enclosed herein for reference The date from which these items of additional expenditure were incurred has been mentioned against each item in the statement

It is stated that the number of sections in the school was 7 and that the total strength of the school was 310 as on 1-7-1944

In the proposals of the Management of the school the allowances to the additional part-time Kannada Pandit, Hindi teacher and Biology teacher are stated to be for 10 months in the year and an allowance of Rs 5/- per mensem is stated to be required for the clerk for attending to the work of the office of the Secretary of the school As part-time allowances in high schools are admissible only for 9 months in the year as per the existing rules, payment of these allowances for 9 months only in the year would be taken into account in calculating the net authorised expenditure for purposes of fixing the grant to the school As per the rules separate allowance to the clerk of the school for attending to the clerical work of the Secretary's office is not admissible as it is a part of the regular work of the school clerk This item of expenditure will be omitted from the authorised items of expenditure These items of unauthorised expenditure have already been pointed out to the Secretary of the school by this office

It was requested by the Secretary of the school that a portion of the additional cost might be met by Government from the year 1945-46 wards In that connection the Secretary has been informed that no itional grant for the purpose can be sanctioned by Government at nt and that extra grant, if any, admissible would be sanctioned rom the date of the next triennial revision of grants to the l High Schools taking into account these additional items of and expenditure The full extra cost has to be met by the

the Management itself till the next revision of grants to the Municipal High Schools

I recommend that Government may be pleased to accord sanction to the proposal of the Managing Committee of the Municipal High School, Davangere, and the local Municipal Council for the increase of the establishment of the school for incurring the additional items of expenditure as mentioned in the proposition statement enclosed, the entire cost involved on this account being met out of the funds of the Management of the school until the next revision of grants to the Municipal High Schools in the State

I request the favour of early orders of Government in the matter
